

# Ali Amini

## (Full Stack Developer)

Email:  
aliamminii1422@gmail.com

## PROFILE

---

I am a full stack developer with more than 3 years of experience developing web and mobile applications using PHP, Laravel, Adonis, React, NextJS, Ionic, MySQL, PostgreSQL, Redis.

- Expertise in frontend technologies including HTML, CSS, JavaScript, React.
- Developed a well structured code base based on Clean Architect resulting in lowering maintenance cost up to 50%.
- Contributed to meetings with designers and product owners and gather requirements and design
- database and application from scratch.
- Optimize query and database schema resulting in 10x faster queries.
- Using Ionic framework for mobile development and use PWA to decrease the cost of development, I was able to develop 1 repo instead of 2 apps for Android and IOS.
